## THE MASS, PARKING FOR OUR VETERANS & THE FENMORE STREET ENTRANCE

This Wednesday night from 7pm – 8pm we will continue our summer teaching series on The Mass. We are using the work of Bishop Robert Barron, and the topic for conversation and learning this week is on Responding to God's Word. The teaching will happen in our Parish Center following our 6pm Mass. Even if you have haven't been with us before, you would be welcome to join us for these fourth of six teachings.

Another item that I would like to pass along to you is that we have added two special parking spots for our Veterans. These two parking spots are located on the east side of the church. Thank you to all of our Veterans who have served our country.

Finally, the city contacted us last week to let us know that work would soon begin on Fenmore Street. At the writing of this bulletin column, no work has been done. However, a portable bathroom, work flags, and caution cones have been added to the street in front of our church. We are not sure what type of work is being done, but we are told to expect 6 weeks for completion. During this time, we would ask that we use the Dalton Street entrance to enter into our church parking lot.

Blessings, Fr. Carl McCarthy
