CHURCH CLEANERS GUIDELINES

A church cleaner is a servant of God who helps keep His house clean and in order. Even though this is not one of the most prestigious jobs, it is one of the most important in the Parish.

1. There will be six cleaners scheduled each week. You will receive a quarterly schedule by mail and the dates for this will be published in the bulletin.
2. You may clean any time at your convenience.
3. There is a list of jobs in the cleaning supply room. We ask that you sign your name and the date beside each job you complete. This way we know what has been cleaned.
4. Cleaning supplies are in the cleaning supply room.
4. This is your church, your parish home. Don't be afraid to look around and get to know where things are and how they are done. If you have any questions, suggestions or complaints, please contact Penny at the Parish Office, 270-684-6888.
5. We realize that everyone has different schedules. If you are unable to clean the week you are scheduled, please trade with someone or contact Penny at 270-684-6888.
